NATIONAL CONVENTION

23 - 25 APRIL 2021

THEME VERSE: HE SAID TO THEM,

“GO INTO ALL THE WORLD AND PREACH THE GOSPEL TO ALL CREATION.”

MARK 16:15

What could be a more appropriate 'Theme Verse'? This verse represents all that we hold most dear and although our name has now changed, our very Gospel essence has not. We stand resolutely on God's Mighty Word and under the authority of the Lord Jesus Christ.

Please accept this as a personal invitation to join our Online National Convention, starting on Friday 23 April. All the joining details you need are overleaf. This year you can join us from the comfort of your own home without any travelling inconvenience or expense, so do make the most of this special opportunity!

We have a wonderful range of content with many guest speakers including our Bible Speaker Rev Hugh Palmer, former Rector of All Souls, Langham Place, London; Peter Lynas from the Evangelical Alliance; Duncan Hunter from Outreach UK (formerly called Home Evangelism); and representatives from several other organisations that we work in partnership with.

There will be an exciting focus on our International ministry, including reports on GO Mission Trips organised in partnership with Share

Word Global, a special focus on Eastern Europe, inspiring testimonies, and an opportunity to join in times of 'online' worship.

Please invite your Christian friends and potential new members to join the Convention, giving some thought and prayer to who you might invite and being generous with your invitations! The small, friendly act of an invitation could turn out to be an incredible spiritual blessing for someone you invite.

Several prayer and fellowship 'Zoom' meetings will be held before and after the sessions and members have already been advised about these. There is additional information overleaf but if you want to find out more, please contact National Office.

The Offering this year will be used for developing our work in Eastern Europe. Please send your donations to National Office or through the website in the usual way, indicating it is for National Convention/Eastern Europe.

Please do not waste this great opportunity for encouragement, inspiration and to recharge your Gospel batteries. After the year or so we have had, we could all do with a bit of that!

Every Blessing in Jesus

National Vice President
Chairman National Convention Committee
